

FOX STUDIOS BAJA

STUDIO SECURITY

Miguel Muñoz is in charge of studio security. Mr. Muñoz can be reached on site at Ext. 49411, by radio on channel 14 or by mobile phone (664) 628 6824. The studio has a security staff that provides 24 hour surveillance of the site and front gate. A special unit from the Rosarito Police Department is also on site.

Entrance to, and exit from the studio is controlled by the front gate security guards (ext. "0" or 52928). Fox Studios Baja security conducts random checks of the studio site and at the main gate to prevent any illegal activities. Contractors and visitors are obligated to wear I.D. badges. If you are expecting a visitor, you should advise the Security Department and fill out a visitors request form at least 24 hours in advance of the planned visit so they can arrange the visiting passes. Vehicles beyond the front gate must also display special passes.
